

Message from Miss Carr

Here we are, nearly at the end of 2018. This term has been one of great success as we have welcomed new children and staff into our Greenmount family. I am always amazed at the dedication and enthusiasm from our staff and children as well. It really is a joy watching, listening and joining in with the magical moments that happen here every day. I visited a few of the after-school clubs this week and they really made me smile and feel very proud of the achievements made. The boys in Robotics club were working hard with a "Crumble". This is a computer coding and electronics device and not the sort you have with custard! They were working hard to problem solve and connect the components to get the lights to flash. I certainly learnt a few things and was very impressed. Cooking club made scones, Rugby Club were developing ball skills, the choir were in full voice, Bushcraft club were popcorn making on a fire (in the rain). Writing, reading, sports, ukulele, and D Club were also busy and having fun learning new skills and working together. I can't thank the staff who run these clubs enough as they really do make a difference and enhance experiences for our children.

The winter disco and Y5/6 sleepover we had last night were also a great success and we woke up to a birthday in Year 6 as well. Lots of dancing moves and sparkly clothes. Another thanks to all the staff who stayed to help with both events.

Thank you for your continued support. I wish a Merry Christmas to all families celebrating and all the best for a happy and prosperous 2019 to everyone.

Parking-safety

Please **do-not park** on the zig-zag lines on Greenmount Street and do not double park. You are endangering lives when you do this, and we nearly had a very nasty accident last week.

Leave yourself enough time on a morning to get to school safely and do consider walking, especially if you live near our school.

Bug Club

From next week your child will receive a Bug Club login for their own personal use and can access a range of reading books on devices at home through the website Active Learn. This is a safe website that helps children with their reading fluency and comprehension skills.

Any problems let the classroom teacher know.

Labels

Would you please write your child's name on all their clothes, lunchboxes, water bottles and book bags. We can then return any lost items to their owners.

We do have a lost property box in the vestibule between the KS2 playground and the main office.

Keeping safe

In November we took part in Anti-bullying week and Road safety week.

The theme for anti-bullying week was, "Choose Respect" and was launched with an odd socks day. A wall of respect was created in the annexe and on the Y5/6 corridor. Pupils and adults could add things about themselves, their friends and had discussions about what respect meant to them. Well done Miss Ackroyd for all your hard work organising these events for us all.

We had a design an anti-bullying competition and the school council chose four lucky winners-well done!
