

Half Termly Newsletter

Class: 5L and 5W

Teachers: Mr Laffin and Mr Wilson

Term: Spring 1

Topic: Scream Machine

Literacy

We will be using all of the Year 5 grammar to create interesting and exciting stories! We will also be using DAD-WAVERS to help us add more detail into our stories. We will be creating leaflets and adverts for our very own theme park!

Maths

In maths, this half term, we will be learning how to multiply and divide using the formal written method and will be completing problem solving and reasoning challenges. We will be moving onto fractions, including finding fractions of amounts and adding fractions.

Topic (art, DT, history, geography)

In History, We will learn about the history of theme parks and roller coasters. In Art we practise sculpting, painting and drawing a range of roller coasters and different theme park rides. In DT, We will be learning how to strengthen, stiffen and reinforce complex structures. We will even be creating our own prototype roller coaster!

Science

We will be learning all about different forces, such as: Friction, air resistance, water resistance and gravity. We will be learning about how we can manipulate these forces to create exciting fair ground rides!

Computing

We will be learning all about how the internet and will even be creating our own web page!
You can do some research on this at home if you have a computer!

PE

5L and 5W have PE on Tuesday afternoons.
The topic for this term is DANCE!

Book study

The Snow Sister— by Emma Carroll

Reminders

Please remember to bring a book bag every day to school. Remember to bring a PE kit into school, you can leave your PE kit on your peg for a half term before taking it home to wash. Check the website for more details. E-Safety: Be careful online and report any cyber bullying to a responsible adult. Don't forget to bring your homework journal every Friday!
