Registration

Lots of children are now able to find their own name card as they come into Nursery. If your child can do this and can also hold a pen or pencil well then it may be a good time to encourage them to start to write their name. You can write it in lower case letters and your child can write over the top or underneath. Have a go and if you are unsure please come and ask.

New starters

Welcome to our new starters in Nursery! We have new children in both sessions and some of our older children have been showing them the ropes and helping them to settle in! If you are a new parent and worried about your child getting upset when you leave, I'm sure another parent can reassure you it's all perfectly normal and the children do settle eventually!

'Where does snow go?'

Our new topic is called 'Where does the snow go?' We have been outside in the cold weather and talked about what we wear in Winter. The children have also thought about what snow is, what it's made of and what we can do in the snow. We have played with ice and we think there will be a lot more fun to be had during this exciting topic!

Toileting

If your child is still using nappies please remember we are here to help you with the transition into pants. If you would like to send your child to Nursery in pants just let us know and send a bag of spare clothes. Many 3 year olds are ready for this next step.

Nursery funds

In the next few days we will be sending out a letter asking you to help us with our funds in Nursery. As you can imagine, we spend a lot of money in Nursery on things such as sand, playdough ingredients, wipes etc. We will be suggesting a contribution of 50p per week. Many Nurseries already do this and we are hopeful you can support us too. We will keep you informed on how we use these funds. Thank you in advance.

Reminders

If you are not logged onto **Tapestry** yet please ask how to do this. It's a great way for us to communicate about your child and for you to see what they get up to in Nursery!
