

Half Termly Newsletter

Class: Dragonflies Mrs Randall (Teacher), Miss Coates (HLTA), Mrs Lee (TA)

Term: Spring 2 **Topic:** Animals including Humans

Literacy

We will be using non-fiction books to find out about animals and their young.
We will write labels, lists and instructions about how to take care of pets.
Phonics– will be continuing with our Phase 3/4 Letters and Sounds.
We will also focus on reading sentences using the

Maths

Our focus this half term is on Addition and Subtraction.
We will be learning how to add two numbers together by counting on using different resources, including Numicon and number lines.
We will learn the language of subtraction and take away amounts in

Topic

Our topic this half term is Animals including Humans. We will learn about different farm animals and the names of their young. We will look at the human timeline and talk about how we grow and change as we get older. Mrs Randall plans to bring her Hamster in when we learn about pets and how we need to take care of them!
Finally we will learn about how we can take care of ourselves, including the importance of

Science

- Recognise and name farm animals and their young.
- Notice how humans grow and change
