Name writing

We are having a big push on name writing for those children moving into Reception in September. If you would like to practise this at home that would be great. We teach the children to write their name in lower case letters so please don't teach them to write their name fully in capitals, thank you.

Tapestry

It has been lovely to see a few more parents adding photos and videos on Tapestry. We have had a look at a couple of these as a class and the children loved seeing their friends playing at home or going on a day trip. If you are not logged onto Tapestry please ask Mrs Lee to help with this.

'Space'

Our new topic is 'Space'. This topic sees us building rockets using large construction, 2D shapes and craft pieces. We are making aliens out of playdough and drawing space scenes with stars and planets. We are also reading the story 'Whatever Next?' about a bear who takes a trip to the moon.

September

By now you should know where your child has a Reception place in September. If your child is staying at Greenmount, classes will be sorted in June once we know which members of staff we will have across school. There will be a meeting for parents and several chances for your child to meet their new teacher. It is really important to us that the transition into Reception is smooth and as easy as possible for the children. Should you have any concerns or questions please ask.

Nursery library

During parent consultations, one parent suggested we have a selection of books for the children to borrow and read at home. Next week there will be a basket of books just outside Nursery which your child can choose from and bring back a few days later. What a lovely idea, thank you!
