

Class: Dragonflies Mrs Randall (Teacher), Miss Coates (HLTA), Mrs Lee (TA)

Term: Spring 2

Topic: Let's Be Curious

Why does the weather change?

Literacy

In Literacy we will be looking at different types of writing e.g. letters, postcards and weather reports.

We will be writing to our families as if we are on holiday.

We will be looking at sentence writing, using full stops and capital letters.

Some of Dragonflies will be extending sentences by using 'and'.

In dragonflies we will be reading every-day.

Maths

.This half term we are looking at Money, especially adding two coins together to make a different amount. We are also looking at adding and subtracting numbers up to 20.

Book study

How the weather works. - Christiane Dorion

Freddy the Frogcaster - Janice Dean

Topic

This half term we are learning all about changes in weather. We will be looking at seasonal changes, and what we might need to help us in different weather types.

Science

In Science we are learning about seasonal changes. We will be able to identify the 4 seasons and explain what the weather is like in these seasons.

Computing

- Word skills.
- To type our name onto a word document.
- To create a list of tricky words on a word document.

PE

Hall Time for Sensory Movement- Tuesday, Thursday and Friday mornings.

PSHE

We will be looking at how we can look after our body. How we can live a healthy life.

Reminders

- Our Trip to Pizza express for part of our DT Project is Tuesday 3rd March
- * Please read regularly with your child and write a comment in their reading diaries.
- * The next Parent Meetings will be arranged for just before the Easter holidays.
