

# Half Termly Sheet

**Year 4**  
Term: Spring 2

Topic: Lets be  
Curious

## Mathematics

This term we are learning to:

- Multiply and divide multiples of the 11 and 12 times-table
- Multiply 3 numbers Factor pairs Efficient
- Multiply and divide 2 and 3 digits by 1
- Calculate area
- Recognise what a fraction is
- Equivalent fractions

## Literacy

This term we are learning to:

- To write and plan a story of a legend
- To write an electricity safety leaflet
- To write a diary entry of a significant invention.
- To revisit and write a newspaper article

## Science/ Art/ D.T

This term we are learning about:

**Electricity**- Children will be identifying which common appliances run on electricity and the types of electricity they use. They will investigate how to build a complete and incomplete circuit drawing simple conclusions and predictions identifying conductors and insulators.

**DT**- We will be evaluating torches, looking at their uses, then designing and making our own.

## Geography/ History

This half term we will be learning about :

The meaning of climate change and the effect on biomes and vegetation belts. Alongside this we will be recognising how people around the world manage their environment (different ways of generating electricity, sustainability) and look at the impact inventions such as electricity have had on our lives and the lives of children in the past.

## Computing-

Word processing and animation

**E-Safety**- Please make sure children are not accessing websites and games that are unsuitable for their age.

## P.E

This term we will be having lessons in:

- Football (Friday)
- Swimming (Thurs afternoons)

## Reminders...

Please make sure your children have suitable clothing and footwear for PE, such as pumps or trainers.

4- El Capitan trip 28th February

4 Matterhorn trip 10th March

## Homework

Reading throughout the week.

Maths/Literacy homework on a Friday.
