

Greenmount Primary is asking for the support and understanding of our visitors in helping us minimise the risk of COVID-19.

Greenmount Primary continues to take guidance from Public Health England and the Department of Education. Taking this into account, we are now limiting access to the site to essential visitors only. If you are unsure as to whether your proposed visit is considered essential, please email the School

Reception, clare.pickering@GreenmountPrimaryschool.co.uk

If your visit to Greenmount Primary is an essential one, we would nevertheless ask that you refrain from visiting if:

- you have travelled from or transited through any of the countries on the government quarantine list in the past 14 days.
- you have developed a fever (above 37.8C), have a loss of smell/taste or a new, continuous cough within the last seven days.
- anyone in your household is required to self-isolate in accordance with Government guidelines.

Along with all members of the Greenmount Primary community, any visitors to the School should wash their hands with soap and water before leaving home and once they arrive at Greenmount Primary. Gel hand sanitiser will also be available on arrival and throughout your visit.
