Introduction and Purpose of the policy

Greenmount Primary School acknowledges that irregular attendance disrupts the continuity of learning, can lead to underachievement and low attainment and impedes the child's ability to develop friendships which are essential to their social and emotional wellbeing.

The purpose of this policy is for all people connected with Greenmount Primary School to understand why attendance is so important, how we will address poor attendance and promote good attendance.

1. Adoption

The Headteacher, Attendance Improvement Officer and Family Support Worker on **13th March 2018** adopted this policy. This is to be reviewed bi-annually or sooner if changes are to be made to reflect current guidance. This will also be reviewed by the governors at the next governors meeting.

2. Aims to raise and maintain levels of attendance

- Promote a positive and welcoming atmosphere in which pupils feel safe, secure and valued.
- Raise awareness of the importance of good attendance.
- Ensure that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.
- Work closely with parents/carers and other agencies to ensure all pupils maintain a minimum level of 96% attendance

3. What parents/carers can expect from the school

- A quality education.
- To give a high priority to punctuality and attendance.
- Recognition and reward for good attendance.
- Regular and efficient recording of attendance within the guidance of the 1995 Education Act.
- Early contact with parents when a pupil fails to attend school without providing good reason.
- Immediate confidential action on any problem notified to us.
- Excellent home/school communication.

4. What we expect from parents/carers

- To ensure that their child arrives at school on time, properly dressed, with the right equipment and condition to learn.
- To provide the school with a reason for any period of absence on the first day or, where possible, before the absence.
- To provide the school with a reason for lateness.
- To work closely with the school to resolve any problems that may impede their child's attendance.
- To take family holidays during school holiday periods and be aware that requests for holidays during term time will be refused except in exceptional circumstances.
- To support their child and recognise their successes and achievements.

Parents have the prime responsibility for ensuring that their child attends school regularly and punctually. They have the legal responsibility to ensure their children attend school unless there is an acceptable explanation given for their absence which the school may then authorise.

The school day **begins** at 8.50am Mr Potts opens the school gates at 8.45am.

	Reception	Years 1 and 2	Years 3 and 4	Years 5 and 6

5. Procedure for Recording and Monitoring Attendance

- Pupils should arrive in the school playground by 8.45am.
- School begins at 8.50am and class teachers will mark the registers from that time.
- Parents must accompany their children to the office if they are late and sign their child in with the reason for their late arrival. All late arrivals must report to the school office.
- Any Pupils arriving after 9.05am up until 10.00am will be marked late and a suitable reason for late arrival must be given.
- All parents/carers whose children are absent without any communication with the school will then be contacted by the attendance improvement officer to ascertain the reason for the absence.
- If a pupil is absent for three or more days without explanation, then school will endeavour to carry out a home visit. This may be on the first, second or third day of absence.
- All absences will then be added to the electronic database with the appropriate code attached.
- All absences will fall into the category of authorised or unauthorised absence.

An authorised absence is where the school has either given approval in advance for a pupil to be away or has accepted an explanation offered afterwards as a satisfactory reason for absence.

The following may be reasons for authorised absences:

- Illness.
- Family bereavement.
- Medical and dental appointments where proof is available.
- Days of religious observance.
- Fixed term exclusion.
- Permanent exclusion until removed from roll or re-instated.
- Unavoidable School closures; e.g. Severe weather conditions; circumstances that could make it dangerous for children to attend.

Absences will not be authorised without medical evidence if a pupil's attendance is below 90% or they have had 3 or more illnesses in one term.

All other absences will be regarded as unauthorised.

Family Holidays

Holidays in school term time are not allowed.

Unauthorised absences due to holidays may result in a Penalty Notice being issued under the provisions of the Education Act 1996 (as amended) which means that both parents will be fined for their child's absence. Please refer to Appendix 3.

Exceptional circumstances may be considered but there are strict guidelines that the Head Teacher must adhere to. A parent can submit a 'request for exceptional circumstance' by obtaining this request form from the AIO.

If a holiday is taken, the absence will be recorded as **unauthorised**.

Extended Leave

Extended leave is not permitted.

6. Removal from the school role

There are strict guidelines on the circumstances under which a pupil may be removed from the school roll. These are detailed in Education (Pupil Registration) Regulations 1995 (as amended 1997) and the Schools Administration Handbook (Section A2).

Children Missing Education (CME)

If a child leaves the country for any reason other than a fixed term holiday, this will be reported to the Attendance Advisor and Children Missing in Education Team for further investigation. A child will not be removed from role until these investigations have been carried out and the Attendance Improvement Officer has passed the case to the CME team.

If a child is offered a place in Reception and fails to take up this place, then this will warrant further investigation. If that child has not accepted a place at another school, then this will be reported to the CME team.

Elective Home Education (EHE)

The school must delete the child's name from their admissions register upon receipt of written notification from the parents that the pupil is receiving education otherwise than at school. However, schools should not wait for parents to give written notification that they are withdrawing their child from school before advising their local authority. Schools must make a return (giving the child's name, address and the ground upon which their name is to be deleted from the register) to the local authority as soon as the ground for deletion is met, and no later than deleting the pupil's name from the register. They should also copy parents into the notice to the local authority.

7. Strategies used to promote good attendance and punctuality

- All holidays taken in term time will be referred to the Local Authority for a Penalty Notice of £60 per child per parent.

Penalty notices - Information for parents and carers

Issued for non-attendance at school including holidays taken in term-time

Introduction

Regular attendance at school is vital to help children achieve and get the best possible start in life.

All children aged between 5 and 16 are required by law to receive an education, and it is the duty of parents and carers to ensure that they are supported to do so.

All schools in Leeds have their own attendance policies and are responsible for keeping accurate records of pupil attendance. They will contact parents directly if they have any concerns about a child's attendance.

What is a penalty notice?

A penalty notice is a fine to parents or carers if they fail to ensure that their children attend school regularly. It is an alternative to prosecution in the magistrate's court and paying the fine means that court can be avoided and the possibility of a criminal record.

When might a penalty notice be issued?

Penalty notices are issued for unauthorised absences from school. This includes holidays in term time and sessions where your child arrived late after the register closed.

What is the government legislation covering the use of penalty notices?

The Education Act 1996 s444 (as amended).

Who decides whether my child's absence should be authorised?

Authorised absence from school is at the head teacher's discretion. From 1 September 2013, a change to government legislation means that schools are no longer allowed to authorise requests for children to be taken out of school for a holiday during term time.

Why are penalty notices issued for unauthorised absence from school?

Parents/carers are required by law to make sure their children attend school regularly for 190 days a year. Penalty notices were introduced in 2007 and have been amended several times since then, with the latest change coming in September 2013 when the time that parents have to pay fines was reduced.

Children who frequently miss school often fall behind. There is a strong link between good school attendance and achieving good results.

Who issues penalty notices?

Leeds City Council is responsible for issuing penalty notices on behalf of schools in the city.

How are they issued?

Penalty notices are issued by post to your home.

Will I receive a penalty notice for each child?

Yes, a penalty notice will be issued to parents or carers of each child with an unauthorised absence.

Will my partner be issued with a penalty notice?

Penalty notices are issued to each parent/carers for each child. A parent is classed as anyone with parental responsibility, including partners who live in the same household. Cases involving separated parents will be judged individually. The law has always allowed each parent to be fined for the same child's absence.

What should I do if I get a fine?

Once you have received a penalty notice you have the following options:

Option 1

Pay £60 per penalty notice **within 21 days** of the date of issue. Details of how to pay will be included on the back of the penalty notice. The fine has to be paid in full - part payment or payment by installments cannot be accepted.

Option 2

Pay £120 per penalty notice **between 21 and 28 days** of the date of issue as stated on the penalty notice. Details of how to pay will be included on the back of the penalty notice. The fine has to be paid in full - part payment or payment by installments cannot be accepted.

Option 3

If you decide not to pay the penalty, you will be summonsed to appear in court for the offence under Section 444(1) Education Act 1996 of failing to ensure the regular attendance at school of a child of compulsory school age who is a registered pupil there. A guilty verdict can lead to a fine of up to £1000, a Parenting Order, and a criminal record which can affect employment.

If I pay the penalty do I have to go to court?

If you pay the penalty(s) as stated in Option 1 or Option 2, you will not have to attend court and you will not have a criminal conviction recorded against you. This discharges any and all liability on your behalf concerning the non-attendance of your child for the period quoted on the penalty notice.

What happens if I do not pay?

If you do not pay the Penalty as stated in Option 1 or Option 2 and the time period of 28 days expires the council is required to commence proceedings in the Magistrates Court. A guilty verdict can lead to a fine of up to £1000, a Parenting Order, and a criminal record which can affect employment opportunities.

Is there an appeals process?

There is no statutory right of appeal once a notice has been issued.

Who can I contact about a penalty notice that has already been issued?

Contact the penalty notice officer on: **0113 3784895**
