

05/01/2021

Dear Parents and Carers,

Following the announcement from Prime Minister Boris Johnson last night Greenmount Primary School will close as we once again enter lockdown.

It was announced at 8pm last night that schools will now be closed to at least February half term. Clearly, we have all found this out together and we are really disappointed that school will now not open tomorrow as planned.

Please allow senior leaders time, over the next few days, to set up remote learning again for all classes and to receive further guidance from the Government. We aim to start lessons on Wednesday 06/01/2021.

School will re-open as soon as possible for pupils of critical keyworkers and those children who are identified as vulnerable.

If you have not already done so, please contact the school to discuss a school place if you are a critical worker and cannot work from home.

We aim to re-open school to critical keyworker pupils on Wednesday 06/01/2021.

All information will be posted on our website. Please check daily.

Together we will get through this. We look forward to welcoming everyone back to school as soon as we can.

Best wishes

Lisa Dixon
