Name Writing

The children that will be going into Reception next year will be starting to practise writing some letters from their name. Please could you support them with this at home too! Please remember they need a capital letter for the first letter and this lowercase letters for the rest.

Workshops

Please look out for any future workshops we may hold. We are planning a phonics workshop and a Maths workshop later in the year. In fact, any suggestions for future workshops gratefully received.

Our Topic—'Freestyle'

This half terms topic is child-led. We spoke to the children about their interests and observed what they enjoyed playing with. We decided we are going to do lots of different experiments and become scientists. This topic will be called, 'Lets experiment'

Spare Clothes

Please ensure your child has a named bag with spare clothes in it in case they need to be changed. As it is now getting into the bad weather please could children wear wellies and a waterproof coat when its raining.

Tapestry

Thank you to all parents who are now logged onto Tapestry and are adding observations of their children at home. If you are unsure of how to use Tapestry please speak to Miss Hodder.
