

Assemblies

Intent

Children come together to be kept well informed of key issues and events that happen locally and globally throughout the school year.

Implementation

In order to achieve our aims we:

- have key Stage assemblies at Greenmount once a week. These help to inform children of key issues that are happening in the world around them and any key events.
- often include themes of Sustainable Development Goals and are underpinned by British Values.
- also have Celebration assemblies once a week where great learning is celebrated by everyone.

Impact

All children feel part of the school community and our schools ethos of CLIMB is promoted. Children feel a sense of belonging to a community. Assemblies help to promote the spiritual, moral and cultural development of children here at Greenmount.
