

Year 1

# How have toys changed?

I know that old toys were made from metal, wood pottery and glass.

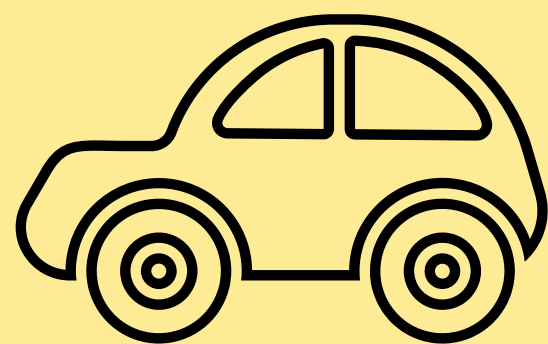

Key knowledge - five facts

I know that many toys today are made from plastic.

I can describe and compare a range of toys..

T can ask questions to find out what my parents/grandparents /older people played with in the past.

I know that toys operate in different ways. (e.g., batteries, wind-up)
