

Background:

I have worked in Retail for 25 years most recently as a Modular planner (it is me you blame when products move)! My passion is Taekwondo and I am a World Taekwondo International Referee who travels the world to take part in my sport.

What brought you to Greenmount:

I was asked to attend an afternoon at the school to talk about my experiences of being an WT Taekwondo International Referee

What you like about being a Governor:

I like to be able to give back, my own children are grown and have children of their own and sharing my knowledge, experience and skills with others makes me feel connected to the community.

Your thoughts about Greenmount:

It is such a fantastic school! The school is always very alive with a multitude of ideas of how to keep the children interested. They never stand still and seeing the passion that the teachers show when they are talking about the children and what they are doing is incredible.

What you believe the school vision to be:

They strive to give a varied range of opportunities to support the children at Greenmount with their learning and life skills to be the best they can be.

Hobbies/interests:

My biggest passion is reading, I love to imagine the places I read about. Martial Arts – becoming a Referee has enabled me to visit some wonderful places, some I have read about and others that I haven't!
