

Summer 1

Every week a Trophy is presented to the top 3 classes with the highest attendance percentage!

We have a new attendance visual where we display the top 3 classes, the most improved class and the whole school attendance percentage on our twitter page and web page.

100% attenders are displayed in the classroom every week.

You can now track and view your child's attendance on the new Arbor App. If you haven't already downloaded this app and need help, please visit the school office.

Lateness; Being late to school has a significant impact on the amount of learning time lost over a school year. Below gives you an indication of how much time is lost if regularly late.

5 Minutes a day = 3.4 days lost learning

10 Minutes a day = 6.9 days lost learning

15 Minutes a day = 10.3 days lost learning

Punctuality is also monitored closely, and late arrivals can also result in a penalty fine from Leeds City Council.
