

Year: Nursery	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Context for learning:	I wonder what is special about where I live?	I wonder what we celebrate and why?	I wonder what I was like as a baby?	I wonder how things grow and change?	I wonder what happens when..?	I wonder who inspires me?
PSED Self-regulation/ Managing self/ Building relationships Jigsaw' scheme of work	Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peacefully. These attributes will provide a secure platform from which children can achieve at school and in later life.					
	Being me in my world Who am I and how do I fit?	Celebrating difference Respect for similarity and difference. Anti-bullying and being unique.	Dreams and goals Aspirations, how to achieve goals and understanding the emotions that go with this.	Healthy me Being and keeping safe and healthy.	Relationships Building positive, healthy relationships.	Changing me Coping positively with change.
Communication and Language Listening, attention and understanding/ Speaking	The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.					
	Family, parents, Beeston, house home	Celebrate, Eid, Christmas, birthday, Diwali	Baby Toddler Child Adult Born	flower, seeds, soil, grow caterpillar butterfly	Float sink magnetic heat shadow	caretaker, dinner supervisor, postman/postwoman, firefighter, police officer, shopkeeper
Physical Development Gross motor skills/ Fine motor skills Complete PE' scheme of work	Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.					
	Gross motor skills Locomotion Walking	Gross motor skills Ball skills Hand	Gross motor skills Dance Ourselves	Gross motor skills Gymnastics High, low, over, under	Gross motor skills Ball skills Feet	Gross motor skills Playing through games

	Fine motor skills Drawing a circle	Fine motor skills Drawing a vertical line	Fine motor skills Drawing a cross Drawing a horizontal line	Fine motor skills Drawing a square	Fine motor skills Drawing a figure	Fine motor skills Developing a tripod grip Drawing some letters from their name
Literacy Comprehension/ Word reading/ Writing	It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).					
	Comprehension Texts: Goldilocks and the three bears Trad Out and About poetry	Comprehension Texts: Mog's Birthday Mick Inkpen The Christmas Story	Comprehension Texts: Peepo Janet and Allan Ahlberg Guess how much I love you	Comprehension Texts: The very hungry caterpillar Eric Carle Jack and the Beanstalk Trad	Comprehension Texts: The Enormous Turnip Trad The Three Little Pigs Trad	Comprehension Texts: Superpower Like Mine Dr Ranj People who help us (non-fiction)
	Floppy's Phonics Phase 1 At Home	Floppy's Phonics Phase 1 Out of Town	Floppy's Phonics Phase 1 At the Farm	Floppy's Phonics Phase 1 At the Park	Floppy's Phonics Phase 1 At the Match	Floppy's Phonics Phase 1 Fun at school
	Writing Draw a person Assessment Dough Disco moves 1-5	Writing Dough Disco Reinforce moves 1-5 Moves 6-9	Writing Draw a person Assessment Incy wincey spider, Muffin Man, Grand Old Duke of York, Rock a Bye Baby Dough Disco	Writing Dough Disco Reinforce moves 1-9 Squiggle While you Wiggle	Writing London Bridge, Mulberry bush Dough Disco Squiggle While you Wiggle	Writing Draw a person Assessment Daily name writing
Maths Numbers/ Numerical patterns White Rose Maths Scheme	Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.					
	Comparison/Shape, Space, Measure Compare and make large and small amounts Find, collect and select shapes for a reason	Pattern/Counting/Subitising Join in and clap to songs with repeats Say number names in order Join in stable order counting forwards/backwards Recognise, copy and point to 1,2,3	Pattern/Shape, Space, Measure/Subitising Say what happens next Make arrangements in art Explore,describe and sort shapes and objects Show me 1,2,3	Counting/Shape, Space and Measure/Pattern Move and label 1,2,3 Explore positions and routes Explore patterns	Subitise/Comparison/Counting Talk about dots Compare and sort Show me 5	Counting/Pattern/Comparison Stop at 1,2,3,4,5 My own Pattern Match, sort,compare

Understanding the World Past and present/ People, culture and communities/ The natural world	Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children’s personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children’s vocabulary will support later reading comprehension.					
	Past and present My family	Past and present	Past and present How I’ve changed	Past and present	Past and present	Past and present
	People, culture and communities My family	People, culture and communities Birthdays	People, culture and communities	People, culture and communities	People, culture and communities	People, culture and communities People who help us
	The natural world Autumn	The natural world	The natural world Exploring baby toys	The natural world Plants, chicks and caterpillars	The natural world Science investigation	The natural world
Expressive Arts and Design Creating with materials/ Being imaginative and expressive	The development of children’s artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.					
	Me and my home	Dances from around the world	Songs from my babyhood	Natural sculptures	Three Little Pigs	Famous artists
Music <i>(with specialist teacher)</i>	Vocal skills Introduce Nicholas Sticks, shakers	Vocal skills Bells	Start / stop Chinese Dragon Oscar and clapping names sticks	Loud / quiet Goldilocks Lion / mouse Egg songs – Easter Variety of instruments	Fast / slow - transport Lullabies Snail snail, mouse mouse loud / quiet 5 little peas Pulse with lycra	Choose an instrument you can play, what’s your favourite?
