

Year 3

# Where in the World is Beeston?

I know that the River Aire runs through central Leeds and can identify why it is important

I can compare how the human and physical features of the River Aire have changed over time.

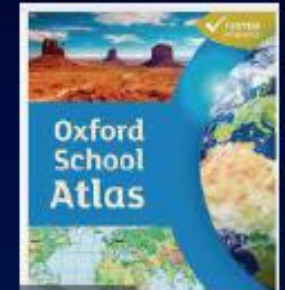

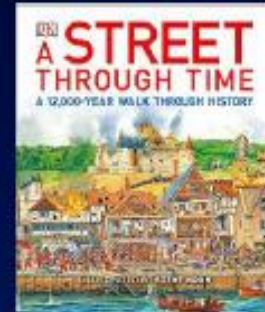

I know that a settlement is a place where people establish a community.

Key  
knowledge - five facts

I can name and locate key cities and rivers of the UK on a map including London, Leeds, River Aire and River Thames

I can talk about the reasons people settled near rivers in the past.

Useful books
