

Abdul-Azeez

I'm Abdul-Azeez, a parent of a Greenmount Primary School student. As an education enthusiast, I'm excited to apply for the Parent Governor position.

My background in Geology and experience in the healthcare sector have equipped me with strong communication, organizational, and problem-solving skills. Notably, my service as a Platoon Commander during my national service in Nigeria honed my leadership abilities.

Additionally, my experience as a Senator in my university, where I represented my department and mediated between the School Parliament and Student Union, has given me valuable insight into governance, representation, and stakeholder engagement. This experience has prepared me to effectively navigate complex relationships and advocate for the needs of parents and students.

As a parent, I'm passionate about ensuring every child receives high-quality education in a safe and inclusive environment. My diverse experience gives me a unique perspective to contribute meaningfully to the governing body.

In my role as governor, I'll diligently represent parents' voices, fostering collaboration between parents, teachers, and students. I'll work tirelessly to ensure every child thrives academically, socially, and emotionally.

I'm committed to making a positive impact on Greenmount Primary School.
