

Your Background

My name is Harrison and I have grown up in Beeston all my life. I am an aspiring primary teacher myself so by being a governor at Greenmount I am able to gain insight into the wider running of the school. I have a passion for the quality of education children receive so as a governor I aspire to ensure that all children's education is kept to a good standard.

What brought you to Greenmount?

I live local to Greenmount so am aware of the day-to-day ongoings in the area so feel as a governor of Greenmount I can regularly update the team of any concerns in the local area to enable the SMT to act on this.

What do you like about being a governor?

As a governor I am able to support the Senior Leadership team and other members of staff to be the best they can be. I can give them an outside view on various things such as whether the website is up to date or whether curriculum is up to standard.

Your thoughts about Greenmount

Greenmount is an excellent school with an amazing level of facilities available especially their alternative provision unit that ensures children are able to reach their full potential.

Your hobbies or interests?

Outside of my role I work in the hospitality industry giving customers gold standard service and when not doing this I enjoy spending time with family and friends usually with a trip to the city centre.
