Half Termly Newsletter

Year 4 Teachers: Mrs Devlin, Mrs Emms and Mr Wilson

Term: Autumn 2

Topic: Climate Zones

Literacy

We will be writing adventure narratives based on The Whale by Ethan and Vita Murrow.

Spellings will be sent home on Fridays and tested the next Friday. Please refer to the spelling mat sent home at the start of term.

Maths

We will be mastering addition, subtraction, area, multiplication and division.
It is important to practise your times tables — use Times Table Rock Stars as much as possible and we will send a sheet home every Friday.

Topic (art, DT, history, geography)

We will be celebrating our wonderful world's geography with its climate zones and landscapes.
In DT, we will be investigating levers and linkages and creating different mechanical products. Look out for a message inviting you to come and see our dioramas!

Science

We will be learning about animal food chains, investigating species found both locally and globally.

Computing

We will be learning how to create useful spreadsheets and search effectively on the internet.

PE

Monday is our PE day. Please make sure your child comes to school in a PE hoody, T-shirt, black leggings, shorts or joggers and trainers or pumps.
Please make sure your child brings swimwear for swimming on Wednesday — normal clothes become heavy in water and drag them down.

Books to read

The Whale by Ethan and Vita Murrow
The Ice Bear by Jackie Morris
Great Adventurers by Alistair Humphreys

Reminders

Keep safe on the Internet, never share personal information.
Homework and spellings are sent home on Fridays.
We are happy to help in any way we can so please see us if you have any questions or concerns.
