

Half Termly Newsletter

Class: 5L and 5W Teachers: Mr Laffin and Mr Wilson

Term: Spring 2 Topic: Alchemy Island

Literacy

We will be using all of the Year 5 grammar to create interesting and exciting stories! We will also be using DAD-WAVERS to help us add more detail into our stories. We will be writing fantasy stories about a mysterious fantasy island!

Maths

In maths, this half term, we will be learning all about measurement. We will be learning how to convert between mm, cm, m and km and between ml and l. We will also be learning about shapes and how to work out the area and perimeter of shapes with straight sides.

Topic (art, DT, history, geography)

In Geography, We will learn all about ordnance survey maps and how to read them, we will also be creating our own city on an ordnance survey map. In DT we will be learning all about different seasonal foods. We will be finding out about what vegetables grow at different times of the year and will create our own seasonal dish! In art we will be analysing different pieces of artwork!

Science

We will be learning all about different materials and their properties. We will investigate how to filter water and how to separate soluble materials from liquid. Can you remember what you learnt in year 4?

Computing

We will be learning all about how the internet and will even be creating our own web page! You can do some research on this at home if you have a computer!

PE

5L and 5W have PE on Tuesday afternoons. Please remember to bring your PE kit every week.

The topic for this term is TENNIS!

Book study

Cloud Busting! — by Malorie Blackman

Reminders

Please remember to bring a book bag every day to school. Remember to bring a PE kit into school, you can leave your PE kit on your peg for a half term before taking it home to wash. Check the website for more details. E-Safety: Be careful online and report any cyber bullying to a responsible adult. Don't forget to bring your homework journal every Friday!
