

Half Termly Newsletter

Class: 5L and 5W **Teachers:** Mr Laffin and Mr Wilson

Term: Summer 2 **Topic:** Beast Creator!

Literacy

We will be using Year 5 grammar to create interesting and exciting stories. We will also be learning about a type of poetry called "Limericks" and will be writing a biography. Using science knowledge, we will create information text.

Maths

In maths, this half term, we will be learning all about fractions, decimals and percentages. We will be learning how we can use statistics. Through science we will be using our maths skills to draw graphs, collect data and interpret results.

Topic (art, DT, history, geography)

In Geography, We will learn all about the origins of different weird and wonderful beasts that live among us. In DT we will be using a computer program called "Crumble" to make a robot bug move! We will be learning about famous artists who use nature as their inspiration, such as Lucy Arnold, who uses leaves and butterflies to create beautiful pieces of artwork.

Science

We will be learning about how different animals live and will be investigating and comparing their different life cycles. We will also be learning about different plants and how they continue to reproduce.

Computing

We will be using a program called "Crumble" where we will be completing different algorithms to help us when we are completing our DT project.

PE

5L and 5W have PE on Tuesday afternoons. Please remember to bring your PE kit every week, especially since the weather is getting warmer!

Book study

Beowulf - by Michael Morpurgo

Reminders

Please remember to bring a book bag every day to school. Remember to bring a PE kit into school, you can leave your PE kit on your peg for a half term before taking it home to wash. Check the website for more details. E-Safety: Be careful online and report any cyber bullying to a responsible adult. Don't forget to bring your homework journal every Friday!
