

Class: Dragonflies Mrs Randall (Teacher), Miss Coates (HLTA), Mrs Lee (TA)

Term: Spring 1

Topic: Can you travel in time?

Literacy

In Literacy we will be looking at descriptive and comparative language. Introducing adjectivities into our vocabulary. We will label photos of old and new toys and buildings describing what we see.

We will be looking at sentence writing, using full stops and capital letters. Some of Dragonflies will be extending sentences by using 'and'.

In dragonflies we will be reading everyday. We will be introducing a Story Sack library, for children to take home.

Maths

Number- place value: tens and units, number sequencing, Measure, Length, Mass and Weight. Add and Subtraction. Money.

Book study

Major Glad, Major Dizzy— Jan Oke

Lost int the toy Museum—David Lucas

Topic

This half term we are learning all about changes in time. How places and things have changed. Dragonflies class will be making timelines and learning to recognise things from the past.

Science

In Science we are learning about the Human Body. We will be learning the names of the parts of the body linking them to our senses. We will be leaning the names and uses of some organs.

Computing

- Using Tuc-paint to create a picture.
- Following instructions to print out their art work.

PE

Hall Time for Sensory Movement- Tuesday, Thursday and Friday mornings.

PSHE

We will be looking at our identity, society and equality.

Reminders

- We are excited to announce we have a new member of staff called Debbie Managan, she will be working in Dragonflies some mornings
- * Please read regularly with your child and write a comment in their reading diaries.
- * February Half term week commencing 17th February.
