

British Values

Intent

Our curriculum aims for all children to understand and embrace all of the British Values of Democracy, the Rule of law, Individual liberty and Mutual respect and Tolerance for others and their beliefs. British Values underpins the daily life here at Greenmount.

Implementation

In order to achieve our aims we:

- ensure that PSHCE is taught throughout the school.
- have a School Council where members are voted in democratically and pupil voices are heard.
- have strong local links with Pennington Court Care Home and global links with Rwanyange Primary School in Meru, Kenya.
- give children opportunities to work with others from a variety of backgrounds, beliefs and faiths.
- have half termly assemblies that are themed around the British Values. British Values Ambassadors are awarded half termly for being a role model with a specific value.

Impact

Children leave Greenmount as well rounded, respected individuals who respect the British Values.
