

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<ul style="list-style-type: none"> -Links with Rothwell Gymnastics to support staff CPD for a term. -Weekly Rugby CPD for all staff (Hunslet Rugby Club) -Additional weekly swimming for SEND pupil and pupils with SEHM -Active breaks and lessons seen across the school (coaches employed for lunchtimes) -Free after school Sports Clubs -Whole school competitions took place including whole school Sports Day, Easter games, orienteering and inter competitions across all year groups. -Shallow PE Deep Dive with Jill Wilkinson -Progression of skills documents created so that all stakeholders are aware of LO and a child's PE journey through school -Planning overviews for teachers implemented -Successful implementation of 'Developing the whole child' in PE through social, emotional cognitive and physical learning. Evident in lesson observations -Equipment has been purchased to enhance the experiences available. -Greater number and variety of after school clubs. -Continued partnership with Healthy Holidays -Lesson observations and pupil voice surveys were completed 	<ul style="list-style-type: none"> -Greenmount Primary School gained a Gold Award in the School Games -Number of behavioral and first aid incidents have reduced due to the implementation of structures physical activity at break and lunch -Over the academic year, 163 places were filled at extra curriculum clubs. -Children are beginning to record their own fitness and performance achievements -Children have been exposed to all areas of the PE national expectations and have a greater understanding of the physical, emotional, cognitive and social elements of PE (Greater fluency in the PE Curriculum) -A higher number of pupils attended SEND events. -100% staff valued the CPD with Rothwell gymnastics and feel they are more skilled to teach it. Links with the club continue 	

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
CPD for all staff	Primary Generalist Teaching Pupils – as they will take part	Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport. Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school. Key indicator 4: Broader experience of a range of sports and activities offered to all pupils. Key indicator 5: Increased participation in competitive sport.	Teachers are more confident to deliver effective PE supporting pupils to undertake extra activities inside and outside of school, including teaching water safety and swimming and as a result improved % of pupil's attainment in PE (Gymnastics and Rugby) Staff understand and use a variety of ways to challenge pupils in a variety throughout lessons Staff have accessed CPD across the year and are able to identify how they will use this to develop and Subscription to Complete PE. Increased teachers' confidence in delivering all areas of the Physical Education Curriculum and supports the school to ensure that our PE provision is of the highest quality.	Rugby coaches £390 half termly Autumn-Summer Term (£2,340) £175
Introduce lunchtime sport sessions/activities for pupils.	Lunchtime supervisors / teaching staff, coaches - as they need to lead the activity. Pupils – as they will take part	Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school. Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.	Lunchtime activities 3x lunch clubs (£2,625)

<p>Provide opportunities for pupils to engage in additional PE lessons.</p>	<p>Pupils- as they will take part. Coaches- as they will lead the activity. Staff- CPD opportunities</p>	<p>Key Indicator 1: increased confidence, knowledge, and skills of all staff in teaching PE and sport</p> <p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.</p>	<p>More pupils meeting their daily physical activity goal, more pupils are encouraged to take part in PE and Sport Activities. Increased number of staff feeling confident in teaching a range of subject areas.</p> <p>SEND Swimming provision allows children to have bespoke lessons in a suitable and supportive environment. Pupils have greater confidence in the water and make greater progress.</p> <p>We have invested in new gymnastic equipment to ensure sustainability for future years and enable gymnastics provision to be effective.</p>	<p>Swimming intervention for Year 6 £1692.00</p> <p>SEND Swimming (£3108)</p>
<p>Provide opportunities for children at Greenmount to access sport in the wider context, which provides them with the skills to lead healthy, safe, fulfilling and balanced lives.</p>	<p>Pupils – as they will take part School- creating links within the local community. Raising the profile of PE across year groups Staff- Will attend the events</p>	<p>Key indicator 2 -The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.</p> <p>Key Indicator 3: the profile of PE and sport is raised across the school as a tool for whole school improvement.</p> <p>Key Indicator 4: broader experience of a range of sports and activities offered to all pupils.</p> <p>Key Indicator 5: increased participation in competitive sport</p>	<p>Pupils feel engaged and enthusiastic about PE and Sport which is displayed through conversations with pupils throughout the school, through the number of children who are celebrated in assembly for their participation in PE</p> <p>Increased participation in active games when high quality equipment is available for pupils to use, which develops physical literacy and can apply their physical skills and abilities to range of fun and engaging intensely physical games and activities.</p> <p>Pupils have fun, use teamwork and develop lifelong positive memories associated with Sport and PE (After school clubs Basketball, football, multi-skills, Gymnastics).</p>	<p>Partnership with Leeds Beckett- Free</p> <p>Leeds Well Schools Partnership - £1,500</p> <p>Equipment £1,500</p> <p>Hunslet Club (Football Club) £1940</p> <p>Basketball coach (across the</p>

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metre		
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?		

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>		
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>		
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>
